# C-CIDE

|                            |  |
|----------------------------|--|
| <b>COMPOSITION:</b>        | <b>C-CIDE</b> is an extraordinary powerful citrus-based cleaner, degreaser and deodoriser containing natural orange oil extracts and biodegradable non-ionic emulsifiers.  |
| <b>BENEFITS:</b>           | <b>EFFECTIVE:</b> Cleans, degreases and deodorises.<br><b>SAFE:</b> <b>C-CIDE</b> is the natural choice for a safer, non-acid, non-alkali, non-chlorinated, non-petroleum solution to even the toughest cleaning, degreasing and deodorising problems.<br><b>LOW TOXICITY:</b> The citrus extract in <b>C-CIDE</b> has a slight toxic effect.<br><b>BIODEGRADABLE:</b> <b>C-CIDE</b> is 100% BIODEGRADABLE. Will not affect waste treatment systems.   |
| <b>DIRECTIONS FOR USE:</b> | <b>FOR DEGREASING:</b><br>Use diluted with 10 parts water for refuse machinery, waste chutes, etc. greasy floors and walls, drains and grease traps.<br>Add <b>C-CIDE</b> solution and allow to act for 15-20 minutes, followed by a hot water flush. For traps add 1 litre for each 20 litres of liquid in grease trap.<br><b>FOR CLEANING:</b><br>Use as supplied directly from drums for washer parts, removing rubber marks, removing tar deposits, glue, etc.   |
| <b>DEODOURISING:</b>       | <b>BY SPRAY</b> - Dilute <b>C-CIDE</b> 1 litre per 20 litres of water and spray or wet over area to be treated. <b>DO NOT SPRAY NEAT.</b><br><b>BY DRIP FEED</b> - To control odours in sewage flows, drains, etc. drip into effluent stream at point of maximum agitation. Rate of drip will depend upon amount of odour. Not a harmful as chlorinated solvent based treatment if overdosed.<br><b>ADDING TO CLEANING AGENTS</b> - To assist in cleaning and to deodorise, add 1 part <b>C-CIDE</b> to 100 parts water for residual citrus odour. |
| <b>SPECIFICATIONS:</b>     | Appearance - Clear light amber liquid<br>Odour - Citrus orange odour<br>Specific Gravity - 0.85<br>pH - 8 - 10<br>Safety - Safe when used as directed  |
| <b>CAUTION:</b>            | <b>C-CIDE CONTAINS D-LIMONENE.</b><br><b>PRODUCT IS FLAMMABLE</b><br>Protective clothing and goggles are recommended.<br>Irritating to eyes, skin and respiratory system.<br>For splashes, wash liberally with cold water.   |
