

TECHNICAL DATA SHEET

M 4

- COMPOSITION:** M-4 is a concentrated all-purpose ammoniated "magic" cleaner based on naturally derived biodegradable detergents, blended with pine oils and alcohols.
- BENEFITS:** Cleans deodorises and sanitises all types of surfaces, including floors, walls, fixtures, etc. Highly concentrated, can be diluted with up to 10 parts of water for general cleaning. Controlled foaming can be used in all scrubbing machines. Safe on all hard surfaces, including marble, terrazzo. Wood, linoleum and P.V.C. Apart from ammonia, contains no other alkali. Phenol Coefficient of 7 against Salmonella Typhosa when tested according to A.O.A.C. methods. Phosphate free and biodegradable.
- DIRECTIONS FOR USE:**
- ALL HARD SURFACES:** Dilute with 1 part M-4 with 40 to 80 parts water. Wet the surface with this solution, allow to soak for a few minutes, then mop or scrub.
- POWER SCRUBBERS:** Dilute 1 part M-4 with 40 to 80 parts water in supply tank. Rinse after use.
- ENGINEERING MACHINERY:** Dilute 1 part M-4 with 20 parts water, wipe with a sponge or rag to clean. Wipe dry and re-lubricate where necessary.
- EMULSION WAX STRIPPING:** Dilute 1 part M-4 with 20 parts water. A stronger solution will be needed for very heavy wax deposits. Rinse well prior to re-applying polish.
- SPECIFICATIONS:**
- | | | |
|------------------|---|---------------------------------------|
| Appearance | - | Clear pale amber liquid |
| Odour | - | Strong ammonia, background pine oil |
| Specific Gravity | - | 1.0 (approx.) |
| pH 1% solution | - | Max. 11 |
| Ammonia content | - | 1.0% to 102% |
| Safety | - | Completely safe when used as directed |
- CAUTION:** **M-4 IS A CONCENTRATED DETERGENT.**
Keep away from the eyes.
Avoid excessive contact with skin.
Wash splashes liberally with cold water.

BEST-CHEM LTD. IS AN ISO 9002 REGISTERED FIRM.
