# SHAMPOO

## DE-ODOURISING STAIN REMOVER

<b>COMPOSITION:</b>	<b>MAGIC CARPET SHAMPOO</b> comprises of blended detergents, deodorisers and anti-resoil polymers.
<b>BENEFITS:</b>	Cleans and deodorises in one operation. Use in hot-water extraction cleaning systems. Built-in defoaming system. Deep cleaning detergent. Acrylic polymer resoil barrier. Chemical neutraliser kills stale odours including polymers. Pleasant residual perfume. Concentrated for economy. Dry residue vacuumed away.
<b>DIRECTIONS FOR USE:</b>	<b>AS A STAIN REMOVER: SHAKE BEFORE USE.</b> Use direct from the container. Remove excess dirt or stains with a paper towel. Then spray with <b>MAGIC CARPET</b> deodorising stain remover. Leave for 20 minutes to penetrate and neutralise. Remove residue with absorbent paper. Sponge with clear water. When dry any remaining dirt can be vacuumed away. <b>AS A "HOT" SHAMPOO: SHAKE BEFORE USE.</b> Fill machine tank with hot water and add 1 litre of <b>MAGIC CARPET</b> to each 10 litres (2 gallons) of water. Shampoo carpet in normal manner following equipment manufacturer's instructions. <b>HEAVILY SOILED AREAS:</b> Re-spray with neat <b>MAGIC CARPET</b> before cleaning. <b>DEFOAMER:</b> <b>MAGIC CARPET</b> contains a built-in defoamer. However in some circumstances previous shampoo residues may create foam in the receiving tank. If this proves a problem add <b>DEFOAMER</b> in small amounts (1:500 parts) to receiver.
<b>SPECIFICATION:</b>	Appearance - Milky white emulsion Odour - Perfume Specific Gravity - 1.1 pH - 10 - 11 Safety - Safe when use as directed

**CAUTION:** For splashes to eyes and skin wash immediately with cold water
