

TECHNICAL DATA SHEET

R X SPOT

CARPET SPOT REMOVER

- COMPOSITION:** R X SPOT is a solution of surfactants IDEAL for removal of oil, grease, dirt and many other oil and grease based stains including butter milk, chocolate, make-up, etc from carpets.
- BENEFITS:** Efficient safety solvent dissolves most oil-based stains.
Safe on most carpets and fabrics.
- DIRECTIONS FOR USE:** Use on all types of man-made and natural fibre carpeting, rugs and matting. Always pre-test on a small hidden area for colour fastness. Apply a small amount of RX SPOT to stained area in one direction from outside the stain or spot to its centre. Blot with clean cloth or paper towelling.
