

# TECHNICAL DATA SHEET

# SECURITY

**COMPOSITION:**                **SECURITY** is a synergistic blend of anionic and non-ionic synthetic surface-active agents.

**BENEFITS:**                    Part of the unique "**INSURANCE**" system of "**NEVER STRIP**" floor maintenance.  
Completely neutral cleaner with no harmful alkaline residues.  
Safe on all types of floor surface.  
Use by either damp mop or spray clean technique.  
No need to rinse, non-streaking when used as recommended.  
Pleasant citrus odour.  
Can be buffed to a shine when used over an "**INSURANCE**" coated floor.

**DIRECTIONS USE:**                Dilute with cold water at  $\frac{1}{2}$ % - 1% strength for spray cleaning and 1%2% **FOR** strength for damp mopping.  
Rinsing is optional.

**SPECIFICATIONS:**

Appearance	-	Clear viscous red liquid
Odour	-	Citrus orange
Specific Gravity	-	1.01
pH	-	9.0 - 9.5        (Concentrate)
	-	7.5 - 8.0        (Diluted)
Safety	-	Safe when used as directed
		No specific packaging or carriage requirements.
