

# TECHNICAL DATA SHEET

# SURE PLUS HAND CLEANER

**COMPOSITION:** SURE PLUS is an economical hand-cleaner comprising of pure lanolin, P.C.M.X. bactericide, plastic abrasive, beads and refined solvents.

**BENEFITS:** Effective heavy-duty solvent based hand cleaner.  
Does not contain harsh Paraffin.  
Contains the powerful skin antiseptic P.C.M.X. (PARACHLORO TAXYLENOL) which helps prevent infection of cuts and abrasions. The effect of this antiseptic persists on the skin after washing, extending this protection for some time.  
Lanolised for skin protection.  
Can be used with or without water.  
Rinses effectively in the coldest water.

**DIRECTIONS FOR USE:** Apply a little of the product to the hands, rub well in to liquefy gel, pay particular attention to the fingernails. Rinse well with hot or cold water and dry hand thoroughly. Alternatively if no waste is available for rinsing, remove residues with a clean dry cloth.

<b>SPECIFICATIONS:</b>	Appearance	-	Clear yellow rinsing gel with dispersed beads
	Odour	-	Slight
	pH	-	Approx. 7 (neutral)
	Safety	-	Completely safe when used as directed
